

Wycliffe College

ANTI-RACISM STATEMENT

We affirm the dignity of every human being as a beloved creature made in the image of God, and we treasure the kingdom values of peace, justice, reconciliation, and loving concern for the marginalised. We are deeply saddened by the sin of racism that pervades our churches and society, and by our own blindness to it and to the pain that such racism and blindness cause. We repent of the prejudice that resides in our own hearts. We pledge ourselves to courses of action that promote awareness of racism in its systemic and personal forms and that will identify and remove any discriminatory practices within the College. And as those who have been reconciled to God in Christ, we will seek to prepare leaders for a reconciling ministry that includes 'all races and tribes, nations, and languages' (Revelation 7:9).
