Apocalyptic: The Heart of Paul's Gospel?

Wycliffe College invites submissions from undergraduate students, graduate students, and faculty on the topic of "Is Apocalyptic the heart of Paul's gospel?" We are particularly interested in papers that bridge the worlds of Scripture and theology, drawing upon the methodology and insights of both biblical studies and theological studies.

Proposals should be 500 words or less and detail the main thesis, approach, and authors/texts to be engaged. Presentations will be 15 minutes in length.

The colloquium will be offered in a hybrid format (in person and online), COVID-19 policy permitting.

Contact stephen.hewko@wycliffe.utoronto.ca with any questions.
