**FALL RETREAT**

## ***Together at Wycliffe***

Let's spend time together. This retreat is an opportunity for the Wycliffe community to draw near to one other as a new season begins. This is a laid back, family-friendly, community building retreat. Invite a friend, bring your re-usable water bottles and sunscreen, and wear your comfy clothes. We're going on retreat to Wycliffe College!

Please participate in the ways that make you most comfortable. If that means observing from afar, sitting quietly in the courtyard, praying in the Chapel, or catching up with friends in the backyard, please feel free to break away from planned programming as need be.

## ***Who's Invited?***

The retreat is for everyone: new students, returning students, residents, alumni, staff, faculty, spouses, family members (children too), and friends. Do you know someone who might someday be interested in attending Wycliffe? This is a great event to invite them to!

## ***Retreat Activities***

- Alumni Stories
- A Classic Wycliffe Lunch
- Worship and Prayer
- A Creative Art Activity
- A Scavenger Hunt
- The Alumni Association's BBQ
- Capture the Flag

### **The Children's Program**

Children are important members of the Wycliffe community. To begin the day, children are invited to attend an hour long program designed to help them comfortably and confidently interact with the world of Wycliffe. This program will include worship, crafts, and games. Following this hour, children will join their family members and friends for the rest of the day's planned activities. Nursery Care will be available throughout the day. Parents can check their children in and out of nursery care at their convenience.
