Senior Student Welcome!

Ruth Bartlett, Senior Student

Hello and welcome to Wycliffe College! You may recognize my face or my name from the write-up in the academic calendar, or our Wycliffe College Students Community Facebook page, or just from seeing me around the school the last couple of years (welcome back returning students,

staff, and faculty!). However, if this is the first you've seen or heard from me, allow me to introduce myself:

Hi! My name is Ruth Bartlett, and I'm your Senior Student for this 2018-2019 academic year!

The piece of paper you hold in your hand, and are currently reading is going to be your go-to for what's happening at Wycliffe and how you can be involved. I highly recommend you read through it each week to keep tabs on what is going on so you don't miss out on student council events, registration information, bursaries, special speakers, or who's preaching or presiding for chapel throughout the week. There is plenty happening at Wycliffe and we wouldn't want you to miss out on anything! You can also request to join the Wycliffe College Students Community Facebook page (and the Wycliffe Residents page if you are a resident), watch the bulletin boards in the main hallway, take stock of the weekly calendar downstairs with "This Week at Wycliffe", stand and stare at the screen in the lobby, or follow @wycliffestudents (Student Council's Instagram) and @wycliffecollegetoronto (Wycliffe College's Instagram).

Regardless of how you get your information, make sure you are keeping track of what is happening here in your Wycliffe community.

You should also know, whether you are returning or just starting at Wycliffe, that we love you! Maybe that sounds a little crazy since we are just getting to know you, but know that we want what's best for you and what's best for this community. Also, chances are, the person you're sitting beside or standing nearby is a new friend to be made. Introduce yourself, get to know each other, pray for each other as you start this new academic year balancing everything you are responsible for with your studies, and with your everyday life. We want to be a community that upholds one another and supports one another. That is certainly what I have found to be the case for me as a student at Wycliffe, and what I hope you find as a student at Wycliffe too!

That goes for the student council too! Come find one of us if you need to talk, need some prayer, or just need a study buddy! We want to work to make you feel welcomed and loved here, so we'll try and introduce ourselves to you, and you try and introduce yourselves to us and each other – deal?

If you are interested in being on student council, we are looking for a first year rep, sports rep, and a secretary so keep your eyes peeled for nomination week! There are also opportunities to be involved in student life by being members of the missions committee (see Mimi), the green committee (see Sydney), or helping with different events at the school.

Blessings on this school year and I'll see you soon!
Love,
Ruth

From the Business Office...

Booking Room Space: When there are no schedule conflicts, Wycliffe College is willing to rent out its space for groups or organizations putting on various events. Please inquire with Paul Patterson in Office 107 on pricing and availability.

Parking: Parking is very limited at Wycliffe, making it advisable for students and visitors to use public transit when traveling to and from the College. To best serve the entire Wycliffe community, a strict parking system has been put in place: *parking permits are only available to students living outside the GTA*. If you wish to apply for a parking permit, inquiry at the Front Desk or speak with Paul Patterson in Office 107.

Please note, even with a permit *you are not guaranteed a parking space* as parking is available on a “first come, first served” basis for those with permits. These permits are valid while students are in the College for classes or events, and are *not valid* for overnight parking. Permits are only valid for the parking spaces by the tennis court. Any student who parks in a “reserved” space will receive a formal warning, which may result in their parking privilege revoked, not being eligible for a parking permit in the future. We have the ability to ticket and tow cars which are delinquent.

At the Front Desk

The front desk will be an important location for your time at Wycliffe College. There you will find meal tickets, locker information, parking passes, commuter room access, etc.

Meal Tickets: Breakfast is served in the Refectory on Mon-Fri from 7:45-8:30am, at a cost of \$5.00 per meal. Lunch is served Mon-Fri from 1:00-2:00pm, at a cost of \$4 per lunch (but you can save a few \$\$\$ by purchasing a meal card with five lunches for \$15, or ten for \$30). Dinner is served Mon-Sat from 6:00-7:00pm, at a cost of \$10.00 per meal. The menu for the week will be posted on the bulletin board and [online](#) Monday mornings.

Lockers are available for rent in the College basement. For \$20 you can rent a locker for the academic year (Sep-May), and we will provide a lock and combination for you to use. If you plan on using the locker only for the Fall term, return your lock in December before break or early January for a \$10 refund. *These are for Wycliffe students only.*

Commuters: Students who live outside the GTA are able to stay overnight at Wycliffe, but we have very limited accommodations. Rooms are \$50 per night (\$35 per night if you bring your own linens), and if you need an overnight parking space it is an additional \$10/night. Commuter rooms include a complimentary breakfast during the 7:45-8:30am breakfast hour, and brunch on Saturdays. These are shared living spaces, so you will likely have other students staying in the same room as you. These are available on first-come, first-serve basis, and we if you need a space each week please book your rooms as soon as possible.

Printing: Students can print black-and-white only at the cost of \$0.25/page or \$0.40/2x-sided sheet. Files must be on a USB drive or emailed to the front desk.

From the Registrar's Office...

Welcome to all new students or those returning in new programs. We hope the information here is helpful to you as you transition into school and for returning students this will be a timely reminder. Please keep us up to date if your circumstances change or you are experiencing any difficulties. We are here to help you, and hope that 2018-19 is successful for you all and we are looking forward to working with you.

- If you are experiencing problems registering for courses on ROSI, Jeff Hocking can help you and his office is located in the Student Services Centre (below Leonard Hall).
- Please pay attention to [important dates](#) such as the last day to add a class in the fall is September 15, Reading Week dates and the last day of classes. **Please note that the last date to drop a class without academically penalty is not the same date to have a full refund of fees.** Check out the [Refund Schedule](#) to avoid paying tuition for dropped classes.
- Please pay your fees soon, either in full or part to ensure that you will not be financially cancelled (FINCA'd) by the U of T. **There is a late penalty fee of \$100 if we have to re-register you after the FINCA date.**
- If you have been awarded a Wycliffe Bursary the money will be paid to U of T against your tuition balance in mid- September.
- You **must set up a U of T email account** and remember to check it at least weekly. TST, U of T and the college will only communicate through the U of T email.
- Students here on campus have been assigned a mail box and you should look for the box under your assigned number (literally your box is located beneath the number!) and again remember to check it each day you are here on campus.
- All Basic Degree students have been assigned a faculty advisor to assist with course selections

QUERCUS

UNIVERSITY OF TORONTO

The University of Toronto has launched Quercus, the replacement to Portal (Blackboard). The log-in link has changed to q.utoronto.ca. Returning students will find a lot of similarities to Portal with some updated interfaces. If you have any questions please contact Jeffrey Hocking (jhocking@wycliffe.utoronto.ca) or visit the following page: qstudents.utoronto.ca.

LOOKING TO MAKE SOME EXTRA CASH?

We are looking for students and/or residents for the following areas:

- Event support (set-up and tear-down)
- Donor relations (thank you phone calls)
- Data entry
- Graphic design
- Miscellaneous tasks

Please e-mail Peter Herriman at pherriman@wycliffe.utoronto.ca indicating the area(s) you are interested in.

Wednesdays at Wycliffe

Wednesdays are Wycliffe's "Sunday" - it is our time to gather as a community to learn, pray, and break bread together. Each week there is an "Event" meeting. This takes place at 3:00 p.m. either in the Reading Room, or at the Lodge.

Immediately following the "Event" is our Community Eucharist at 4:45 in Founders' Chapel. We have a variety of guest preachers coming throughout the term. There is child-care available during Eucharist.

From Founders' Chapel we head into the Refectory for Community Dinner—please sign up at the Front Desk before 11:00 a.m. on Wednesday. Your family is welcome to gather together with residents, students, faculty and staff for Community Dinner.

There are other special events that take place throughout the year; however, Wednesdays are a great day to connect and get to know fellow classmates and their families.
